Subject: Plan to introduce SMS communication with residents

Dear Residents,

We are pleased to inform you that for the convenience of all our apartment owners/residents, we are planning to introduce an SMS communication system whereby all information like maintenance dues, overhead tank cleaning schedule, electrical shut down, cultural programme, library activities etc. will be communicated directly to the members/residents.

For that, we seek your cooperation, by providing your contact information which is to be registered with KRAOA for communication in this regard.

We are also planning to re-establish our web site where all important notifications would be made available.

We would also like to take this opportunity to collect some relevant information (e-mail ID, vehicle registration no. etc.) from you, for our records.

In few days, we would be reaching out to you, to kindly provide us with the information mentioned above, to help us serve you better. Solicit your kind cooperation in this regard.

President
