

KAMAL RESIDENCY APARTMENT OWNER'S ASSOCIATION

(Registered under West Bengal Apartment Ownership Act – 1972)

Registration No. 31 A of 2011

Notice No. KRAOA/18-19/06

Date: 02.06.2018

NOTICE

We have received complaints from some Residents that the water is not squeezed out properly from the wet clothes while spreading in the balconies for drying them by the Residents of the upper floors, resulting in falling of water from these clothes constantly on the balconies of flats on the lower floors. The residents on the upper floors are unwary of the problem that is being faced by other Residents on the lower floors due to falling of water from the wet clothes. It has been revealed that such problems are there with many other residents too.

All Residents of our Complex are therefore, requested to stop immediately the aforesaid practice of drying clothes without properly squeezing water to obviate the inconvenience caused to other Residents.

COMMON AREA:

It has been observed that the Common Area, viz. **Stair case, Lobby, Terrace** etc. are being used by our Residents in many Blocks for keeping flower pots, shoe racks and other discarded materials. This has made our stairs, lobbies and Terrace narrow and congested for free movement of pedestrians.

Our Residents are therefore, requested to remove such things within a fortnight failing which the Association will arrange for removing them to ensure easy movement in the Common Area.
